

Shannondale Carbon LLC Covenanted Ministry Team Report

2017-2018

The Shannondale Carbon LLC Covenanted Ministry Team was established in 2015 to provide guidance and support for the mission and ministry of Shannondale Carbon LLC, a wholly owned subsidiary of the Missouri Mid-South Conference of the United Church of Christ.

The ministry continues to monitor developments in the “cap & trade” industry and advise the members of Shannondale Carbon LLC (i.e., The Missouri Mid-South Conference Executive Committee) regarding appropriate actions in keeping with the mission of the Missouri Mid-South Conference. The ministry functions in an advisory capacity only and reports its activities to the MMSC Executive Committee.

Current members serving on this ministry are:

- Les Kemp (EA)
- David Rauch (WA)
- Tom Redick (SLA, Environmental Attorney)
- Wes Hurt (SLA, MMSC/SCLLC CITSS Representative)
- Rev. Ginny Brown Daniel (Conference Minister, Ex Officio)
- Grant Wiens (MMSC Attorney, Ex Officio)

Staff support for Shannondale Carbon LLC Covenanted Ministry is provided by Nathan Fulk and Jeff Fulk.

Activities this past year are listed below:

The credits that were owed to the California Air Resources board for the project “reversal” have been transferred as of 5/7/2018 and all reporting has been completed so the project is on track with no further requirements from the organization. The transfer was made from the following project years’ credits:

Project Year 3: 4,747 credits (CAFR0088-D issuance)

Project Year 4: 6,126 credits (CAFR0088-C issuance)

Finite Carbon is also interested in drafting a new contract for services going forward. We look forward to continuing our relationship with them.
