

# **First Congregational UCC Grandin, MO**

## **Celebrating 150 years**

Through the years this church has been mission housing for children. When the school burned in 1905 they held school in the church classrooms. When the new school was built they served the school lunches in the basement of the church.

The congregational church began the Ladies Aide in 1950. Before that it was Society Ladies Aide. We are now Congregational Ladies Aide. The thrift shop is our mission to be helpful in our community, which is a large area around us including most neighboring cities. We quilt to help with our finances. All our items are donated and people can shop for a one-dollar donation. Children shop for free. A lot of people give more to show their love and support.

We have Sunday school service every Sunday held by Cathy King. Monday evening service is a Bible study led by Becky Foster.

On the first Monday of each month we have a communion service with Pastor John Harwell and sometimes a Sunday afternoon service.
