**Exempt Standing [must be approved following application to the clergy person's Committee on Ministry] is an authorized ministerial standing for Ordained Ministers who choose to no longer (or are no longer able to) engage in public ministry. Clergy with Exempt Standing are to refrain from: seeking ministerial positions; entering into call agreements; providing pulpit supply; officiating at weddings and funerals and serving on committees of the Association, Conference, National or global settings of the church. However, they may continue to: participate in the life of their Local Church; attend the annual meeting of the Association and Conference; co-officiate at sacraments at the invitation of an active Ordained Minister and other (as determined by the Committee on Ministry with the minister). Clergy with Exempt Standing would then be exempt from certain ongoing requirements of Ordained Ministerial Standing including periodic vocational support meetings, boundary training, diversity training, and continuing education.*

- No UCC Standing
